Judges at the Education Investor Award 2020

Welcome to Kido Wandsworth

early years, reimagined

The first five years are the most crucial period of any child's life. And yet, the world over, nurseries and preschools rely on 20th century teaching and technology to prepare children for the 21st century.

At Kido, we've set out to change that, and bring advances in pedagogy, design and technology to create the highest quality nurseries and preschools anywhere.

Across the world, and here in the heart of Wandsworth, we're creating magical spaces for children to play, learn, grow and thrive. Reach out to us and your dedicated nursery manager will take you on a tour of a magical learning journey for your child.

"Our son just loves it. He loves the staff and the activities and always comes home so happy. His development has skyrocketed since joining and his social skills have really started to shine."

Alexandra
Parent, Kido

"Kido Wandsworth is an amazing and wonderful nursery! We are so happy that our daughter goes there. She is so happy there, and loves spending time at Kido Wandsworth with her friends and teachers."

TJ
Parent, Wandsworth

The Kido Story

by parents, for parents

We are owned and operated by a group of parents from all over the world. We were set up in response to our founders' struggles as young parents in different cities around the world. So, since our first school in Hong Kong in 2014, we've been obsessed with two things: improving learning outcomes for children, and our service to parents.

To meet our twin objectives, we've invested significantly in people, technology and systems on every aspect of a nursery operation - recruitment, training, curriculum, operations, observations and assessments, parent communication and much more.

We've served thousands of families in places as diverse as the USA, the UK, the UAE, India and China. Being international, we incorporate best practices from around the world.

Kido Nurseries & Preschools

nursery, meet the future

We are on a mission to build the best early learning spaces in the world. According to the Reggio Emilia approach to early education, the environment is considered the third educator. With that in mind, we've created some of the most stimulating preschools and nurseries in the world. No location can ever be too beautiful for our children.

Our school design goes hand in hand with our pedagogy. Every area is set up to aid the learning journey of each child. Furniture and resources are curated from the best providers in the world. Our technology platform allows teachers to spend more time on the children and less on administration. We use technology as a tool to improve the experience of both children and parents.

“A lovely, clean space to enrich the students learning, and absolutely incredible and friendly staff. We feel so lucky to have found such an amazing nursery for our little one. I would highly recommend it.”

Max C
Parent, Wandsworth

"They do several activities which develop their independence and intellect. The communication with parents is also very good. Definitely recommend."

Ana Margarida
Parent, Wandsworth

"She has developed massively since she joined not just intellectually but most importantly at an emotional and social level. I would give Kido 6 stars if I could!"

Louis A
Parent, Wandsworth

Our Pedagogy

early years, reimagined

We believe that a combination of free and structured play, an engaging and interactive learning environment, and an abundance of love, care and attention provide the most solid foundation for children in the early years.

The Kido Early Years Program draws best practices from leading philosophies from around the world, such as Montessori, Reggio Emilia and the theory of Multiple Intelligences. It is developed in house and supported by a world renowned panel of advisors. Our pedagogical leadership team has over 200 years of combined experience in early years teaching, research and pedagogy across more than ten countries, and in multiple languages. We modify our program for each country that we operate in, to adhere to national curriculum framework.

Kido Wandsworth

"My son loves attending Kido Wandsworth, to the point where he gets into his pram in the morning to hurry us there!"

Tom W
Parent, Wandsworth

"We can easily see the positive impact that Kido had on the development of our son and we only have nice things to say about it!"

Andrea R
Parent, Wandsworth

“My son has had a fantastic experience at Kido. He had built lovely relationships with staff and does so many different activities each day.”

Kat P
Parent, Wandsworth

Kido

People

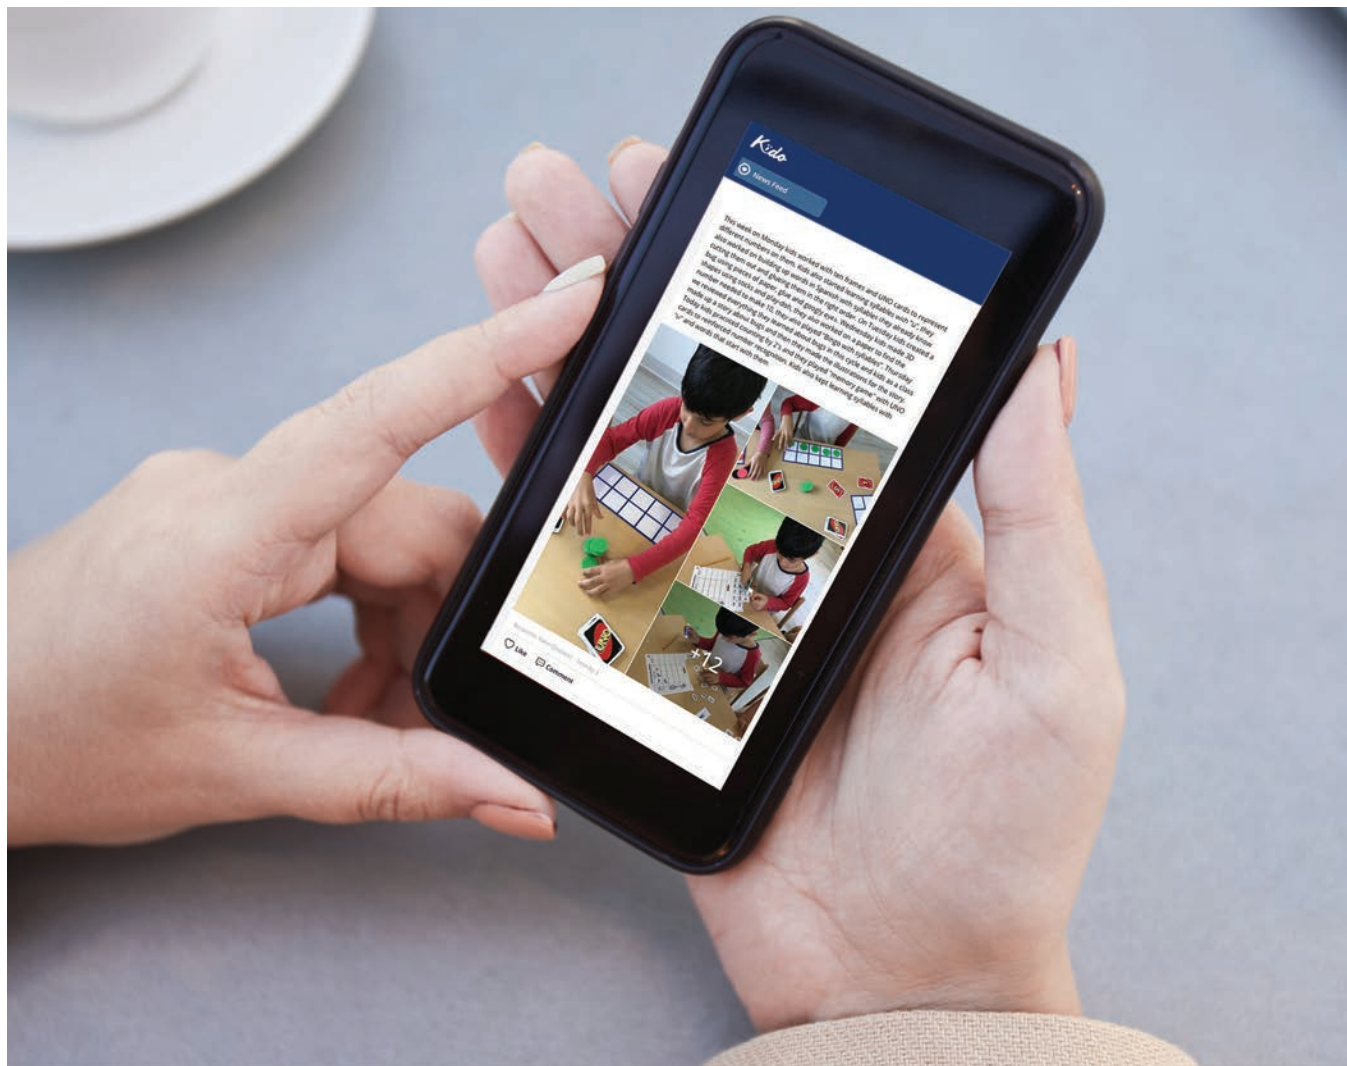

listen, learn, lead

Happy teachers make happy children. We've gone to great lengths to ensure that our people are the most highly trained, motivated and engaged anywhere. Heavy investments in recruitment ensure that your child is taught by the best. Our local and international training and development programs are intensive, and ongoing. Leading experts from around the world run 'Master Classes' to ensure that our people are always a step ahead. Teachers have access to their peers from across the world in real time, so they can bring best practices from any classroom in the world to their own. Above all, we have perhaps the best benefits for our people in the industry, including discounted childcare for all Kido people and dedicated people trainers working alongside our teams to provide continuous professional development and on the job training and support.

"The teachers and staff are kind, helpful and always ready to give feedback or answer questions."

Hilarie
Parent, Wandsworth

“We also really love the updates on the app, the communication is excellent. (I know if my child is eating/had a nappy change/the activities during the day etc. almost in real-time.)”

Parent **Communication**

always at your fingertips

The Kido Parent App keeps you in touch with the nursery in real time. You can track your child's progress, their 'wow' moments, and message the nursery in a secure manner through the app. New features are added continuously to keep enhancing the parent experience.

Your nursery manager is on hand to help with any enquiries, arrangements or questions. Our partnership with and service to parents is core to Kido, and we're dedicated to try and meet all your needs!

"Very friendly staff. My daughter is happy to go there and has lots of fun. The food is great and we have an app where we can track what your child is up to."

NK
Parent, Kido

Kido Wandsworth

home away from home

Kido Wandsworth is located in the Ram Quarter Development in the heart of Wandsworth. The nursery features classes for each age group and an indoor play area that opens out to its outdoor garden, creating a seamless play space that children can use in any weather condition.

The floor-to-ceiling windows ensure plenty of natural light. The school is a bright, calming environment, with spaces for children to explore and learn. The nursery is located near Wandsworth Park that offers opportunities for riverside walks and King George's park for forest school exploration.

"Brilliant nursery. My son has been attending since it has opened. His personal development has been amazing due to the well experienced staff."

Dominik A
Parent, Wandsworth

Our Wandsworth nursery is in the Ram Quarter in Wandsworth, adjacent to the river walk and four minutes from Wandsworth Town station.
